Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid in judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Note 2.

When a *probable* case for pension, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In cases of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

See 1329 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to use particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

INSTRUCTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will append thereto, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer having the authority to discharge enlisted men may be specially empowered.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

Sir

I hereby tender my immediate & unconditional resignation of the commission I hold as 2d Lieutenant Co "E" 12th Ky Vol Inf to take effect from this date. My reasons for doing so are as follows,

1st That my uncle M. Sivey residing in Paris France proposes to finish my medical education at his own expense on condition that I resign my commission in the army & join him at once,

2d That owing to the loss I have sustained in my pecuniary affairs since the breaking out of the rebellion I must abandon the hope of rising in my profession this that channel unless I am prompted to avail myself of my uncle's generosity

3d That I have served my country faithfully since April 1861 and as Atlanta is now in our possession, I feel that in justice I have a right

to expect a little favor from the Government
long. Therefore I most respectfully request
and pray earnestly ask to be relieved at once
I cutify on Honor that I am not indebted

that I was last paid by Maj Thurston to include

General.

I have the honor to submit the following Statement Why I hope that after perusing it you will do me the favor to give the matter your personal attention.

On May 4 tendered my resignation which was returned to the regiment for informality. it having been forwarded through the wrong Hd Qrs. It was recd back on the 9th day of June while we were advancing from Dallas to the Kenesaw Mountain thereon I concluded to defer sending in another until the Campaign was ended. but being almost completely worn down by fatigue and exposure besides being wounded in the thigh I concluded that I would risk another trial. Accordingly in July I sent in another which was detained at Army Hd Qrs. until after the fall of Atlanta when it was refused back for Statement as to how long I had served. I immediately forwarded another containing the required Statement, which it appears was lost when you moved your Hd Quarters back to Ky. from the field.

After enquiring and being informed that they were probably lost I started another, which owing to the continued moving of the troops was detained at Division Head Quarters 3rd Div

The resignation contains my reasons

for resigning as well as a statement as to how long I have served. It is true I carried a gun the greater part of my time until June 1863 when I was promoted. I have been acting Assistant Surgeon in the regiment since December 17th 1863 and have been offered the promotion. but I refused to accept it, expecting to get out of the service and complete my Medical education by spending a year or two in Europe. My Uncle having kindly offered to furnish me the means at his own expense.

The reason being already far advanced I would most earnestly and respectfully request that you give the matter your attention at as early a date as practicable. And ~~by so doing~~ Command the lasting gratitude of

Your
Most humble Servant.

This man deserted on or about Febry 15th.

on or about Sept. 6 , 1863.

As he was subsequently restored to duty by Gen. Field Orders No. 83, Hd. Qrs. The record of the *fact* that he was absent in desertion from on or about Febry 15 , 1863, to on or about Sept. 6 , 1863, cannot, however, be expunged.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment held to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of muster, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the discharging officer.

Note 1.—This blank will be used for both enlistments and re-enlistments of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

Note 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of muster, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

This soldier has Blue eyes, Light hair, Fair complexion, is 5 feet 6 inches high.

(A. G. O. No. N & M.)

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistments of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the discharging officer.

STATE OF Kentucky TOWN OF Louisville

I, George Smith born in the State of Tennessee aged 31 years, and by occupation a Farmer, DO HEREBY ACKNOWLEDGE to have agreed with D. H. Long, Esq., of Oldham County Ky to become his SUBSTITUTE in the Military Service, for a sufficient consideration paid and delivered to me, on the 3 day of Oct 186 4; and having thus agreed with said D. H. Long, I DO HEREBY ACKNOWLEDGE to have enlisted this 3 day of Oct 186 4, to serve as a SOLDIER in the Army of the United States of America, for the period of ~~THREE~~ YEARS, unless sooner discharged by proper authority: I do also agree to accept such bounty, pay, rations, and clothing, as are, or may be, established by law for soldiers. And I do solemnly swear that I will bear true and faithful allegiance to the United States of America; and that I will serve them honestly and faithfully against all their enemies or opposers whomsoever; and that I will observe and obey the orders of the President of the United States, and the orders of the Officers appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to at Louisville Ky this 3 day of 186, before L. M. Mussick Capt & Pro Mar 5th Dist of Ky

George A. Smith.

We Certify on Honor, That we have carefully examined the above-named Volunteer Substitute agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober when enlisted; that he is of lawful age, (not under 18 years;) and that in accepting him as duly qualified to perform the duties of an able-bodied soldier, and as a Substitute in lieu of D. H. Long of Oldham Co Ky drafted in 5th Dist Ky Sept 20 1864, we have strictly observed the Regulations which govern in such cases. This soldier has blue eyes, light hair, fair complexion; is 5 feet 8 1/2 inches high.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the discharging officer.

The Regiment and Company in which the soldier last served should be given on the back.

Note 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. I have strictly observed the Regulations which govern the recruiting service.

Capt. 12th Ky Vol

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable case for pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and the disability, the nature, degree and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to the [illegible] or, if the troops are not attached to a division, to the corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is sanctioned by the endorsement of the proper authority, sign the soldier's discharge, and the first certificate on file papers; and when the soldier is furnished with the proper final statements in duplicate, and forward copies of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will note, under any circumstances, to be given into the hands of the soldier.

Lieutenant:

Please send an officer as soon as possible to muster-out the companies of the 52nd Ky. whose time has expired. It would redound greatly to the benefit of the service. While on this subject I will state that the time of the 14th Ky. expires on the 8th of December, and unless the men are not mustered-out at once, they will become entirely unmanageable. At least I have received intimations that such would be the case. I respectfully urge that all such troops be mustered-out as speedily as possible for the good of the service.

Very respectfully,

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other persons having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; describe particularly the disability, wound, or disease by means of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and the disability, the nature, degree, and origin of which are fully described in the within certificate."

G. O. 1580 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, rheumatism, derangement of the urinary organs, chronic ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will examine and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will countersign, with his action endorsed thereon, through the proper brigade or division commander; or, if the troops are not attached to brigade, to his corps, department, or other commander or officer having the authority to discharge enlisted men may be specially empowered.

These certificates, after having received the action of the highest officer to which they are required to be sent, will be returned to the same claimant to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the certificate on this paper; two that the soldier is furnished with the original instruments in duplicate, and forward BOTH of these papers to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given to the possession of the soldier.

Dear Uncle

Your kind reply to my letter of last May was received only a few days ago, and this is the first opportunity I have had to acknowledge its receipt;

Our Regiment was ordered to the front very soon after I wrote to you last May, and we have been in very active duty since - We are now lying near the little village of Villanow Ga - having marched from near Atlanta since the rebel Army moved Northward,

I would be glad indeed to be connected with you while I remain in service - And I desire to remain until Volunteers are no longer needed

While at any time the situation would be much more agreeable than that of the time - there are particular reasons that would make the change extremely desirable The very bitter Animosity toward the President - And the war policy, which is shown in all the Ky regiments with which I am acquainted

is very strong in our own; And I may truly say Approaches very near to disloyalty. My own Convictions and teachings are so different from such sentiments that associations are very unpleasant;

I have not yet received anything from Genl Burbridge in regard to the transfer - but I will act upon it as soon as it arrives - I will have no difficulty in doing so so far as the regiment is concerned -

I remain very Respectfully
Your Obedient Servant

FINAL STATEMENT

R. 176.

OF

12th Reg't of Ky Veterans

C-8

VOLUNTEERS.

Died May 29 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) this word as a veteran, (or recruit,) as the case may be, should be inserted after the words enlisted into the service of the U. S. A statement of all the installments of Veteran or Recruit Bounty RECEIVED by the Soldier must be made on the back of each final statement.

NOTES.

1. The amount of any extra pay for which the soldier may be mustered, on account of *Hospital Reward*, as *Saddler*, &c., and when and where it may be due him, must be carefully noted.

2. In the column headed "BOUNTY PAID," must be entered the whole amount of bounty paid him; in that of "BOUNTY DUE," the amount remaining yet due and unpaid by State authorities, and paid by the United States, on the muster-out of the soldier.

3. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage for which stoppages are done, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount charged against each article carefully stated.

4. In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of remission or pardon.

5. And careful account of the men's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be carefully stated.

6. Should the men have been engaged in any civil employment, it must be noted, stating where and when employed, and for what length of time; and will be made to APPEAR, whether he may have received a discharge, or other return, while in the line of his duty.

[A. G. O. No. 82.]

7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has been pay due for having been so mounted on his own horse.

8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect, by the officer. This endorsement should exhibit a full statement of the final account, the soldier was allowed pay on his final statements, the time to complete a and all other charges against him or in his favor, or is required to the complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear upon the muster rolls from the fact that his descriptive list is incomplete. Pay accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Dep't.

9. Where a soldier dies in Hospital or on detached service, the Descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by "Drafted" will be written the word *drafted*, or substitute, as the case may be; and under the heading "When Mustered In," will be given the date when the soldier was drafted, or, if a substitute, when enlisted. (substitutes, under the heading "Where Mustered In," will be given the place from which drafted, (or if a substitute, where enlisted.) under the heading "By whom Mustered In," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)

11. A separate descriptive list should, as a general rule, be given for each man.

12. Descriptive lists must, in all cases, be signed by commissioned officers; not by enlisted men acting as such.

FINAL STATEMENT

OF

Thomas Stephens

12th Reg't of Ky. Infantry

6-51

VOLUNTEERS.

Pulled Nov 29. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

I CERTIFY, ON HONOR, That I have carefully examined the above named Volunteer, agreeably to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

Wm O. Mullins
Surgeon 12th Ky Vols

Examining Surgeon

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer W. Sullivan previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age; and that he is accepted by me as duly qualified to perform the duties of an able-bodied soldier. I have strictly observed the Regulations which govern the recruiting service in this case. This soldier has blue eyes, dark hair, a dark complexion, is 5 feet 8 inches high.

HER

The records show that Jesse Swain, private, Company K, 12th Kentucky Infantry was enrolled October 20, 1861, and was mustered into service to serve three years; deserted August 6, 1862, and returned about April 16, 1864; that he was sentenced by General Court Martial to serve in the army of the United States [illegible] period as shown, with the time previous to his desertion amount to the full term of his enlistment, and that he finally deserted in January 1865.

The case of this soldier has heretofor been considered by this Department under the provisions of the Act of Congress, approved March 2, 1889, the law governing the subject of removal of charges of desertion, [illegible] application for removal of the charge of desertion and for an honorable discharge has been repeatedly denied, and now stands denied, on the ground that he did not serve until May 1, 1865, and that it appears from his own statements that he was not prevented from completing his term of enlistment by reason of physical disability incurred in the line of
